

September 19, 2023

Dear Metrowest Music Lovers,

Since 1937, music-loving supporters in our community have helped the dedicated members of the Heritage Chorale produce high quality choral music in the Metrowest Boston area. Our 2023-24 concert season promises to continue this proud tradition, reaching record audiences:

- **FALL CLASSICAL CONCERT: Voices of Joy and Thanksgiving - Sunday, November 19**
- **WINTER POPS CONCERT: Come Out and Play! - Sunday, February 25**
- **SPRING CONCERT: Hold Fast to Dreams - Sunday, May 19**

Rehearsals are underway for these exciting programs, but we need your support to make the musical magic happen! Please consider becoming a *Heritage Chorale Community Sponsor*.

As thanks for your generous support, we will provide each sponsor with a space to share a logo and/or other information about their organization in our professionally designed and printed concert program booklets. Sponsor logos will also be featured on our website from October through May. We will also invite each sponsor to be our guest at the season concert of their choice (2 tickets).

To become a sponsor, visit our website www.heritagechorale.org and select *Support* and then *Sponsor*. You can choose from four different support levels to fit your organization's budget. You can also use the attached form to submit via US Mail.

We look forward to seeing you at an upcoming concert to hear in person what your generous support makes possible. Thank you in advance for your help bringing the joy of music to our community!

Jen Feaster
Chair, Community Sponsorship
